ANIMAL HUSBANDRY AND FISHERIES**

**AGRICULTURAL STATISTICS
2011-2016**

August 2017

CONTENTS

- A-1 *Area growing of crops in hectares by type of crop*
- A-2 *Quantity harvested of crops in tons by type of crop*
- A-3 *Farmgate prices of agricultural and livestock / poultry products*
- A-4 *Gross production value of agricultural and livestock / poultry products*
- A-5 *Number of production of livestock / poultry by type*
- A-6 *Export quantity and value of marine fishery and products*
- A-7 *Export quantity and value of agricultural products*
- A-8 *Import quantity and value of agricultural products*
- B-1 *Areas and quantity harvested of Paddy*
- B-2 *Paddy production, processing and destination*
- B-3 *Export quantity and value of rice by type and destination*
- B-4 *Area growing and quantity harvested by type of vegetables and export of vegetables*
- B-5 *Average consumer price of agricultural products*
- B-6(1) *Area growing and quantity harvested of Bananas*
- B-6(2) *Export of Bananas*
- B-7 *Area growing, quantity harvested and import of Peanuts*
- B-8 *Area growing and quantity harvested by type of citrus and export of citrus*
- B-9 *Area growing, quantity harvested and consumer price by type of tuber*
- B-10 *Number of livestock / poultry by type*
- B-11 *Number, prices and import of poultry products*
- B-12 *Regional decentralization of pasture and production of animal feed*
- B-13 *Supply of milk and processing by Melkcentrale N.V.*
